## Verse 1

## Verse 2

I been down by the fire before  
I been burned bad baby, right out the door  
Here I'm back in the heat  
You could let me in baby or leave me in the street

Or get closer  
A little closer to me  
I only want you to be  
Closer to me

Bridge  
Don't stay  
So far away from me  
I'm right here you're so near  
Baby please

## Verse 3

We've both been down this old road before  
No one ever wins but who's keeping score?  
We both know how, why, and what love is for  
I'm singing maybe pretty baby, we could try it once more

Getting closer  
We're getting closer  
All I want to do is get closer to you
