Verse 1

Verse 2

Now she's around me
 Her love surrounds me
 I think she needs me
 She knows how to please me
 She's my one and only
 And I never leave her lonely too long
 Yes now I've come to know
 I found a love down in my soul
 I'm walking in the light of her love
 And it's an easy love

Chorus

Verse 3

She is a friend to me
 I'll take her to the end with me
 She's my sunshine
 Warming me up, easing my mind
 And I want her and I need her
 Cause I love her
 Now I know what I need to know
 I've been shown, I know that it's so
 I'm walking in the light of her love
 And it's an easy love
