Verse

Stumbling along a lonesome road all alone
 Didn't know if he'd find his way home
 He's been too far out over that line
 By grace and mercy he got one more time
 He's trying to find, trying to find his way
 He's trying to find just a little love, love, love -Love on the way

Verse

The days are gone of the needles and spoons
 The pipes and the bottles and the gas filled balloons
 They can't believe that they're standing today
 When so many others have faded away
 Janis and Jimi and those others that's gone
 Were killed by a madness that cuts short a song
 They're trying to find, trying to find a way
 They're trying to find love, love, love -Love on the way
 They're finding their way back, they're on the way
 Finding the way back - and love -Love's on the way
