Verse 1

Verse 2:

Well, my tears they were falling
 when the road hit the end
 But a higher voice was calling
 you back home again
 It's been a long time learning how to let go
 There's so many things that I'll never know

I cherish what you've given me
 I hold you in my memory
 I finally found peace of mind
 And I know you are a friend of mine
 A good friend of mine

Verse 3:

We've been apart for such a long time
 I've been lost in the dark and
 sometimes I'm crying
 Then your light comes shining
 to brighten my way
 There's a place in my heart
 where you're living today

So I thank you for what you've done for me
 Without you where would I be?
 I want to tell you one last time
 That you are a friend of mine
 A good friend of mine
